## Invitation to the 40<sup>th</sup> World Youth Rally July 24<sup>th</sup> - 30<sup>th</sup> July, 2015 / Incheon & D.M.Z., Korea

Dear HI NAs and Members,

I am pleased to inform you that Hostelling International Korea will be holding the 40<sup>th</sup> World Youth Rally 2015 from July 24<sup>st</sup> to 30<sup>th</sup> in Incheon Metropolitan City & D.M.Z.(DeMilitarized Zone), Korea. In order to spread our initiative "Environment & Peace", our association is organizing a special program for international participants.

We would like to invite youths from your country to participate in this meaningful event. The participants will have the opportunity to interact with other international youths through Hostelling, D.M.Z. tour, Youth Forum, Watching a performance and diverse activities. All meals, lodging, domestic transportation except airline fare will be provided during your stay.

We have chosen "Environment & Peace" as the main topic for "World Youth Forum" scheduled on July 27<sup>th</sup>. A keynote speaker will be invited and each national representative will be giving a presentation during the forum. The participants will have a discussion on each topic and share the idea for resolutions. There will be a special session to share the information of each nation's case. It would be appreciated if you could prepare the presentation slides on "Environment & Peace". The length of the presentation will be limited to 10 minutes per each country.

Hostelling International KOREA and I hope to see youths from your country and we will do our best to make the event in success. Should you have any questions, please feel free to contact us by email at [inform@kyha.or.kr](mailto:inform@kyha.or.kr) and inform us how many youths are going to participate in the World Youth Rally by **May 30<sup>th</sup>, 2015**.

Many thanks.

Best regards,  
Alex Shinn  
CEO / Hostelling International KOREA

## 11. Program Information

### - DMZ ecological peace park Tour

Korea is known as a divided country that the conflict between South and North Korea is still harsh. DMZ is the abbreviation for Demilitarized Zone. There is DMZ ecological peace park that is established at this zone. It is known as an international symbol that opens the peace between South and North Korea. Let's feel the peace at the border of conflict.

- Recycling class
- making Landmark from waste materials

At 2015 Youth Rally, many youths who come from lots of countries will gather together and make your own landmark. Despite of different language, you guys will become to be friends through cooperation. You will walk around to collect waste materials then make a landmark in order to protect the environment. It's the meaningful message that we want to send through this activity.

### - Team Introduce Expo

Before you join this program, we consisted 20 kinds of team as foreigner who stay in Korea and Korean student. So they will introduce about their team and you can hear about team information. If you feel interest some team in your mind, you can choose team you want. That will be your team during you join in this program. Choose a perfect team to you.

### - Hanbok fitting class/ Manner class/ Korean (Hangeul) class

We introduce to you 3 classes in order to access to Korean culture. The first one is Hanbok fitting class which teaches you how to wear Korean traditional clothing - hanbok. The second one is manner class. You will learn the way of greeting. As the most scientific and easiest language, Korean called Hangeul is worth learning. It only takes about 30 minutes to read and write Hangeul. Do you want to try?

### - Eating Tteok-guk (Rice-cake soup)

In Korea, when you eat tteok - guk on the first day of the Lunar new year, it means you are 1 year older. Because rice cake is long, it means they wish you a long-life and the chopped rice-cake looks like a coin, it means they wish you lots of money. The last one is that they wish you a bright life like the white rice-cake. Come to Korea and eat tteok - guk to have a bright long life with lots of money.

### - Drinking Makgeolli

Makgeolli is one of the oldest raw rice wines of our country in history. As the most favorite alcohol since a long time ago, Makgeolli has 6-13% alcohol content. It's richer in protein, lactic acid bacteria and yeast with lower calorie than others. Let's drink Korean traditional Makgeolli which is as delicious as beer.

### - Yeoido Han river park chi-maek

Do you know what chi-maek is? Chi is chicken and maek means beer in Korean. So chi-maek means 'eating chicken with beer'. You must have seen many scenes that main actors eat chi-maek with their friends at Han river in Korean drama. It looks interesting, right? Do you want to try it? Let's go with us to Han river to try Chi-maek - one of the most favorite foods in Korean.

### - Running man mission (Seoul Tour)

Seoul is one of the most developing cities in the world. Beside the modern buildings, Seoul also has the traditional side that attracts many tourists to come here. You must have heard about Namsan Tower where you can see the whole Seoul city and the locks of love. Gangnam, Myungdong, Itaewon,... are also one of the most bustling places of Seoul. If you are traditional type, Gyeongbok palace, Bukchon hanok village, Insadong,... are the good choices for you. But this is not only a tour, it is also a playground with many interesting missions. If you like Korean variety program, you must've known Running Man - the most famous show in Korea. Come with us and you will have a chance to take part in Running man 2015 Youth Rally version.

### - Flashmob

After 7 days training, when you finish Seoul tour, all of us will gather and make a flashmob performance at the last day. Let's imagine! 200 persons who come from many countries gather at one place, feel the rhythm and dance together. What a wonderful event! Come to Korea and dance with us!

### - Songdo (Incheon Tour )

Korea is the first and one of the few countries which achieved success in making salt lake. Seawater flows into the park and forms lake. Saving construction and maintenance cost is the advantages of using seawater. 2 12-seater water taxis and 1 32-seater water taxi are under operation. Let's come to Incheon Songdo.

### - Soraepogu (Incheon Tour )

Incheon is a city that is contiguous to sea. This is Incheon seafood market. There are more 100 outdoor sashimi restaurants here. You can bring ingredients for making sashimi to the port and eat it on the mat that is spread on the dock. This market is rich in salted seafood such as anchovy, baby octopus, large-eyed herring, crab...
